

Long travelling dans un couloir obscur avec des cages et seulement quelques lampes.

Scientifique avance le long du couloir.

La caméra avance vers une porte ancienne qui s'ouvre.

La caméra traverse la porte, révélant le contenu de la pièce, un homme enchaîné.

L'Homme à l'air terrifié.

La scientifique le regarde.

L'Homme tremble.

La seringue est plantée et vidée dans le bras de l'Homme.

La scientifique range sa serinque.

Plan sur la main...

Qui se transforme!

Zoom en spirale vers le visage de la scientifique

Plan sur le torse...

Qui se transforme!

Plan sur le visage...

Qui se transforme!

Plan large, révélant la taille du monstre.

La caméra recule et sort de la pièce.

La porte se referme alors que la caméra continue de reculer.

C'est l'heure de la pause!
